GENERAL INFORMATION

The Assessor is responsible for discovering, listing, classifying and valuing all real and business personal property in the County. All property is subject to taxation except that which is exempt by law. The guidelines for property valuation are set by the Colorado Constitution and Statutory Requirements.

The Assessor does not set any tax levy or Establish any mill rate.

* All County Tax is levied by the Board of County Commissioners

* All City and town tax is established and levied by the City and Town Councils

* Special Districts tax is levied by their Board of Directors.

* All School tax is levied by the District School Boards.

After this office receives the levies, it is the duty of the Assessor to extend the taxes upon the property as assessed, and then to certify and deliver the tax roll to the County Treasurer for collection according to law.

ALL PROPERTY IS SUBJECT TO TAXATION EXCEPT THAT WHICH IS EXEMPT BY LAW

A property's actual value for 2012 is based on the June 30, 2010 level of value. For residential property, sales data for comparable properties that sold from

July 1, 2008 through June 30, 2010 is collected.

The 2012 residential assessment rate is 7.96% of actual value. The assessment rate for non-residential property is 29%.

Primary oil & gas production is assessed at 87.5%, secondary production at 75%.

It is the goal of this office to help the taxpayer in the understanding of the property valuation process. If you have any questions regarding the value of your property or the valuation process, the Assessor's Office is available to assist and serve you. We encourage you to become knowledgeable about your property valuation.
